

**QUEENS COLLEGE**

# Anthropology Pre-Professional BA

**FOUR-YEAR ACADEMIC PLAN**

**12** Required Core Credits

**18** Flexible Core Credits

**12** College Option Credits

**39** Major Credits

**39** Elective Credits

This 4-year academic plan is for freshmen entering Queens College in Fall 2024.

Our 4-year academic plans are illustrative examples of integrated degree requirements and course sequencing for each of the College's programs of study which are designed to ensure degree completion in a timely manner. Students are advised to meet with professional and faculty advisors to tailor their degree maps to their individual interests (academic and career goals), as well as other considerations including course offerings and the incorporation of winter and summer sessions. Course pre-requisite/s and co-requisite/s are strictly enforced, as are entrance and maintenance criteria (if applicable) for the successful completion of the degree.

Second major, minor, or general elective	9 credits

**Fall total credits 15 credits**

##### SPRING

Second major, minor, or general elective	15 credits
--	------------

**Spring total credits 15 credits**

\*\*General Electives: Students may complete general electives by taking courses in (most) department/s or programs they choose; however, depending on the course/program, students may need department permission and/or prerequisite course/s. Electives may be used to supplement the chosen major (an English major may want to take a course in French or Italian literature) or to fulfill interest in a different area (a Music major may be interested in the physics of sound). Students are encouraged to use available electives to complete a dual major, minor, pre-requisites for graduate or professional school, or complete and internship, experiential learning and/or study abroad. Students are encouraged to use their available general electives wisely and focus on coursework that will assist them personally, academically and professionally.

\*\*\*ANTH 388 (old course ANTH 288) is a Synthesis course and fulfills the Additional College Core requirement.
