This 4-year academic plan is for freshmen entering Queens College in Fall 2024.

Our 4-year academic plans are illustrative examples of integrated degree requirements and course sequencing for each of the College's programs of study which are designed to ensure degree completion in a timely manner. Students are advised to meet with professional and faculty advisors to tailor their degree maps to their individual interests (academic and career goals), as well as other considerations including course offerings and the incorporation of winter and summer sessions. Course pre-requisite/s and co-requisite/s are strictly enforced, as are entrance and maintenance criteria (if applicable) for the successful completion of the degree.

► Students may apply to any of the business majors upon completion of **ACCT 101 and 102**, and **ECON 101 and 102**, each with a grade of C– or better, and with an average in those courses of B– (2.7) or better.

► All courses required for the major must be completed with a grade of C– or better.

► All courses in business fundamentals, society and ethics, and concentration courses taken for the BBA must be completed with a letter grade to be counted for the major. P/NC grades will not be accepted.

► Must have a grade point average (GPA) in the major of C (2.0) or better in courses taken for the major at Queens College.

*General Electives: Students may complete general electives by taking courses in (most) department/s or programs they choose; however, depending on the course/program, students may need department permission and/or prerequisite course/s. Electives may be used to supplement the chosen major (an English major may want to take a course in French or Italian literature) or to fulfill interest in a different area (a Music major may be interested in the physics of sound). Students are encouraged to use available electives to complete a dual major, minor, pre-requisites for graduate or professional school, or complete and internship, experiential learning and/or study abroad. Students are encouraged to use their available general electives wisely and focus on coursework that will assist them personally, academically and professionally.
