Language Requisite

These are requisites to the major that can be fulfilled at any time prior to completion of the major; they do not count toward the courses (credits) in the major.

Spanish: demonstrated language ability through the level of Advanced Composition

(**SPAN 225** Composition or approval of the Department.)

**General Electives: Students may complete general electives by taking courses in (most) department/s or programs they choose; however, depending on the course/program, students may need department permission and/or prerequisite course/s. Electives may be used to supplement the chosen major (an English major may want to take a course in French or Italian literature) or to fulfill interest in a different area (a Music major may be interested in the physics of sound). Students are encouraged to use available electives to complete a dual major, minor, pre-requisites for graduate or professional school, or complete and internship, experiential learning and/or study abroad. Students are encouraged to use their available general electives wisely and focus on coursework that will assist them personally, academically and professionally.
