III . Course Description and Objectives

This course is intended for students who have **NO OR VERY LIMITED** knowledge of the Korean language. It aims to give students an understanding of the Korean language and to help acquire a basic level of communicative competency in modern Korean. Students will learn the basics of Korean – consonants and vowels, formation of syllables and basic sentence structures. Through the practice of listening, speaking, reading and writing, students will learn how to carry out a conversation on simple topics of daily life, to comprehend simple Korean texts and to write about their own everyday life at a basic level. Korean classes are basically conducted in Korean, and explanations are given in English if necessary.

IV . Grading

Final Exam	:	40%
Speech	:	20%
Assignments	:	20%
Participation	:	20%

※ When the percentage of attendance is less than 80%, you will be given grade F regardless of the test result.
