One woman on the left is pointing upwards, another woman next to her is holding her cap high, a man in the center is pointing forward, and a woman on the right is making a peace sign. In the background, a large, multi-story building with arched windows and a red-tiled roof is visible under a clear blue sky. Several graduation caps are seen flying through the air. COLLEGE

Dear Member of the Class of 2024,

Congratulations on your graduation from Queens College! This is a wonderful accomplishment and there has never been a more exciting time to be an alum of the College. Guided by the leadership of President Frank H. Wu, Queens College is well positioned to continue to be at the forefront for diverse and innovative ideas.

As you make the transition from student to alum, we at the Office of Alumni Relations would like to formally welcome you to alumnihood.
