Assignment for Demo Student	10 / 10	Overall Feedback Well done!

When you've finished viewing as Demo Student, you must delete CUNY Demo Student.

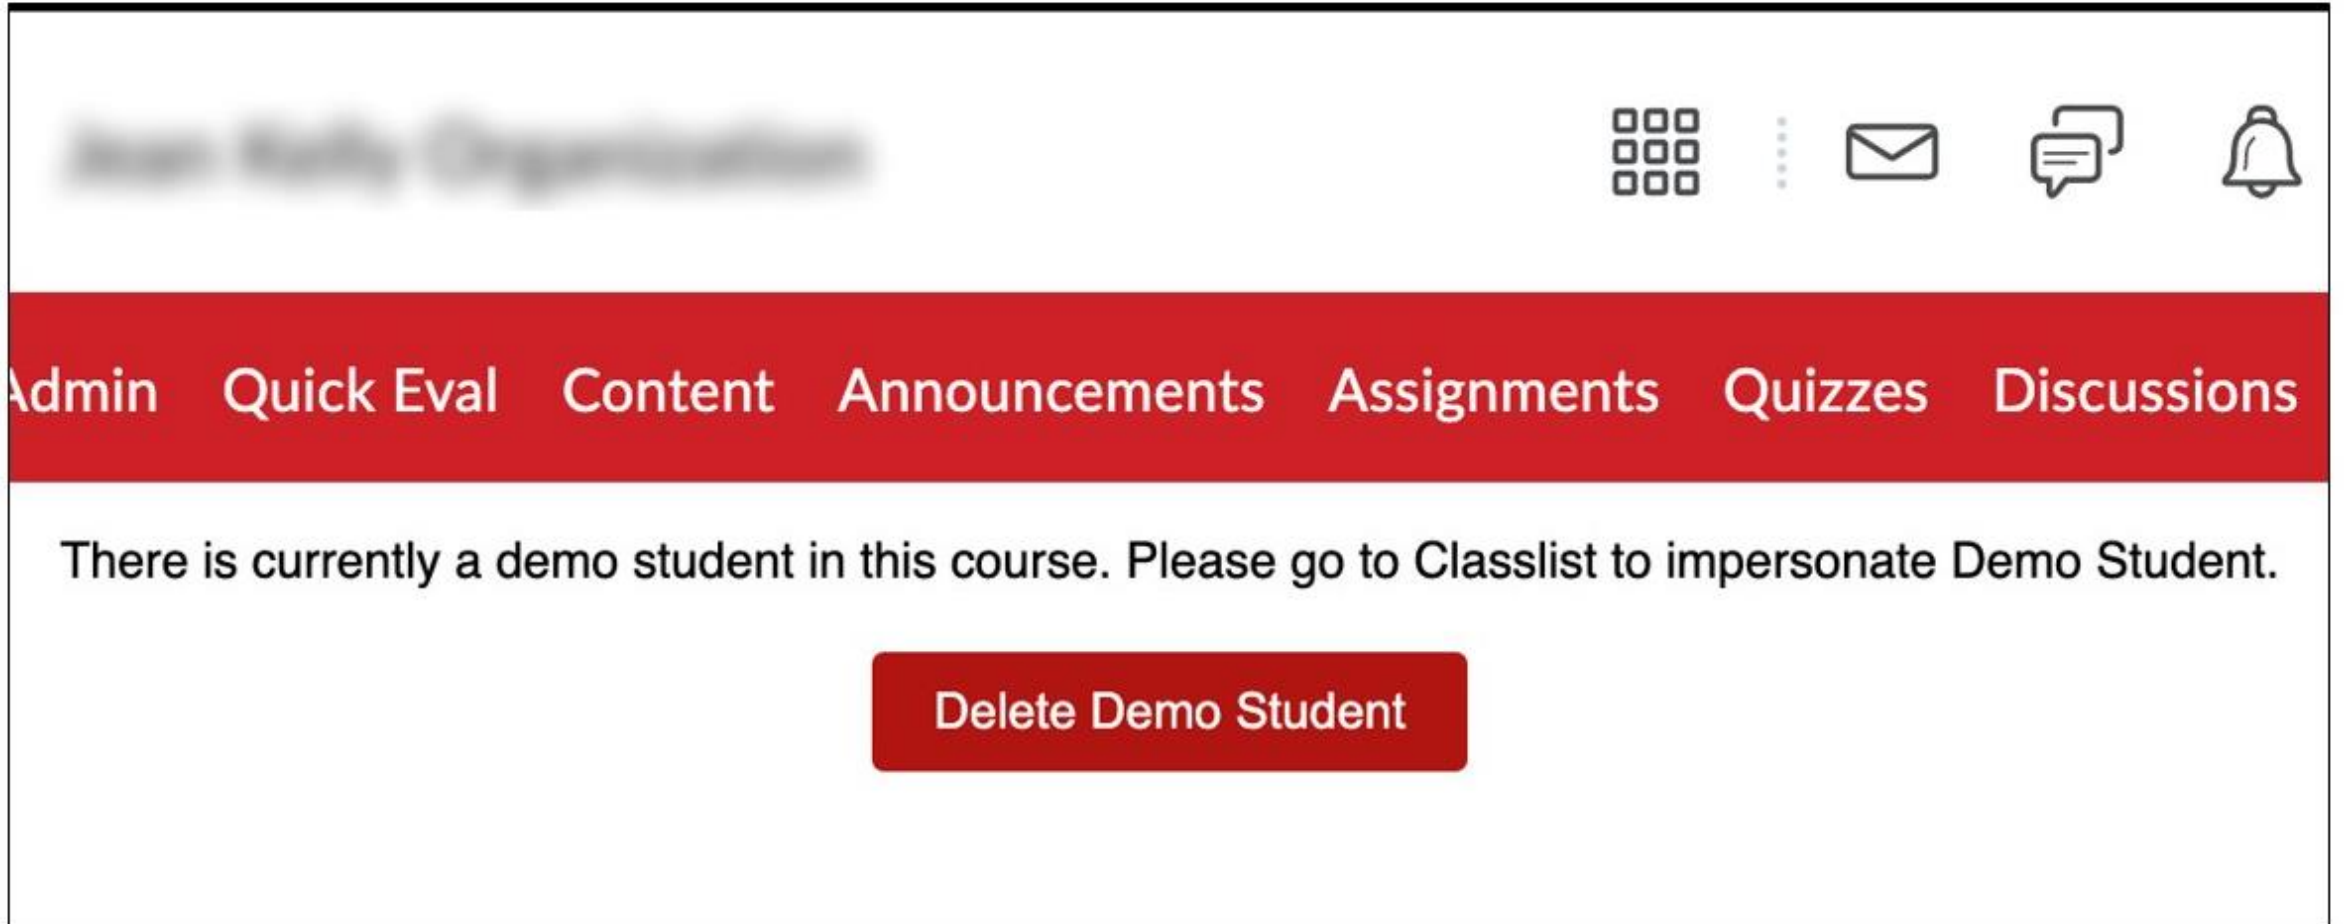

Click on Demo Student at the upper right and click on the X next to Impersonating: Demo Student

1. Click on More in the Navbar
2. Click on CUNY Demo Student

Click on the button "Delete Demo Student."

The screenshot shows a user interface for course management. At the top right, there are several icons: a 3x3 grid, a vertical ellipsis, an envelope, two overlapping speech bubbles, and a bell. Below these icons is a red navigation bar with the following text: Admin, Quick Eval, Content, Announcements, Assignments, Quizzes, and Discussions. Below the navigation bar, a message reads: "There is currently a demo student in this course. Please go to Classlist to impersonate Demo Student." At the bottom center, there is a red button with the text "Delete Demo Student".

Click on Delete Demo Student to confirm your choice.

There is currently a demo student in this course. Please go to Classlist to impersonate Demo Student.

Delete Demo Student

Click 'Delete Demo Student' to permanently remove the Demo Student and all associated data from this course. This action cannot be undone.
