Expanding Student Engagement In and Beyond the Classroom

Faculty Presenters:

Iva Burdett (Chemistry), Melissa Lovitz (FNES),

Christopher Williams (English and Provost's Faculty Fellow 2023-2024)

At this pop-up, a panel of faculty members will share specific strategies to expand student engagement through syllabus design, course assignments, campus-based activities, and other learning opportunities. We invite you to bring your experiences, tools, questions, and concerns!
