Step 9: Review the permit application: The “Permit Type” is a required field- prior to submission, students should consult a departmental advisor and receive clarification as to the permit type. You can add multiple colleges on the application for each permit course. If the “Host Session” is not available for a school, then the host school is not open yet for request at that time and you can check with the host school when their permit portal will be available. You can also add any comments on this application that you feel is essential. Then click on the “Submit” button to finalize your request. To check the status of your ePermit application, click on “My ePermits” from Step 3.
