Part A - Educational Offerings

1. Which of the following types of instruction/programs are offered by your institution? [Check one or more]

If your institution does not offer occupational, academic or continuing professional programs, you are not expected to complete this or any other IPEDS survey.

<input checked="" type="checkbox"/>	<u>Academic</u> , may lead to a certificate, degree, or diploma

Part B - Organization - Control and Levels

1. What is your institutional control or affiliation?

Be sure to select the correct control for your institution. Errors on this question have an impact throughout the IPEDS surveys, in federal reporting, in net price groupings, and on your institutions' appearance to students. If you reported incorrectly in a previous year, please contact the IPEDS Help Desk at 877.225.2568 to correct the error.

2. What award levels are offered by your institution? [Check all that apply]

Award Levels reported should be completed based on the **current year**. When reporting award levels for subbaccalaureate certificates (levels 1, 2, and 4), **determine program length by the number of credit or clock hours**, NOT the academic year length in parentheses. The academic year length is meant only to provide context.

The "Other" award level should not be used unless your program truly does not fit any of the other award levels. We expect very few institutions to fit the "Other" category.

Even though Teacher Preparation certificate programs may require a bachelor's degree for admission, they are considered subbaccalaureate undergraduate programs. Check the applicable award level 1, 2, or 4, depending on the

length of the Teacher Preparation program.

Part B - Organization - Calendar System

Your response to the next question determines how your institution reports Institutional Characteristics student charges data in the fall, Student Financial Aid data in the winter, and Graduation Rates data in the winter. **It also impacts the net price calculation in the Student Financial Aid survey.**

If the calendar system differs from prior year or requires a change, please contact the IPEDS Help Desk at 877.225.2568.

3. What is the predominant calendar system at the institution? [Choose one]

Academic Year Reporting Method (Standard academic terms)

Selecting one of the following calendar types determines that your institution will provide Student Financial Aid and Graduation Rates data based on a FALL COHORT, and student charges data for a full ACADEMIC YEAR.

Semester

- Quarter
- Trimester
- 4-1-4 or similar plan

Program Reporting Method (Other calendar system)

Selecting one of the following calendar types determines that your institution will provide Student Financial Aid and Graduation Rates data based on a FULL-YEAR COHORT, and student charges data by PROGRAM.

- Differs by program
- Continuous basis (every 2 weeks, monthly, or other period)

Hybrid/Mixed Reporting Method (Standard academic terms, other academic calendar)

Selecting the hybrid calendar type determines that your institution will provide Graduation Rates data based on a FULL-YEAR COHORT, student charges data for a full ACADEMIC YEAR, and Student Financial Aid data for students enrolling between August 1 and October 31.

- Hybrid (Other academic calendar)

Institution: CUNY Queens College (190664)

Part B - Organization - Student Enrollment

4. Does your institution enroll any of the following types of students?

Include all levels offered by your institution, even if there are no students currently enrolled at that level.

Responses to these questions determine which screens will be generated for reporting academic year tuition charges, and for reporting Fall Enrollment during the Spring collection. Additionally, checking **Yes** for full-time, first-time, degree/certificate-seeking undergraduate students determines that your institution must report cost of attendance data (on the IC component) and Student Financial Aid data for these students.

6. For Fall 2013, did your institution have any full-time, first-time degree/certificate-seeking students enrolled in programs at the baccalaureate level or below?

If you answer **Yes** to this question, you will be required to provide Graduation Rates data for the 2013-14 cohort in the winter collection. If you answer **No** to this question, indicate the reason you are not required to report Graduation Rates for the cohort year requested.

If you reported any full-time, first-time degree/certificate-seeking undergraduates on the 2013-14 Enrollment survey, the data will be preloaded below.

No

- This institution did not enroll full-time, first-time (undergraduate) students.
- This institution did not offer programs at or below the baccalaureate level.
- This institution was not in operation in 2013-14.
