## Plan. Earn. Complete. sophomoreyear

**PLAN** 

- On making an appointment each semester to meet with your Academic Advisor.
- On visiting the Tutoring Center for individual and group tutoring in a variety of courses & tips on time management.
  - On declaring and researching majors that are a right fit for you.
     Check out: qc.cuny.edu/academicprogrammaps.

Introduce yourself to your professors. Visit them during their office hours for major and minor advising.

Visit the Center for Career Engagement and Internships. Explore your strengths, interests and skills utilizing FOCUS – A career, major and Education Planning System.

With Student Life and join a club or organization. Network with your peers.

With Education Abroad.

Find out about summer/winter programs or semester long programs through the National Student Exchange.

CONNECT

A minimum of 60 credits by the end of your sophomore year.

At least one visit to the Office of Career
Engagement and Internships to learn about
Internship opportunities, part-time & full-time
job opportunities and explore future careers.

Attend at least one workshop on resume preparation, job interview skills techniques career exploration workshop, and job search strategies Workshop.
